

## Who are we?

2008

**CHENUT OLIVEIRA SANTIAGO** was founded in 2008, initially with offices in São Paulo/Brazil, Belo Horizonte/Brazil and Paris/France. Since its foundation, it has been assisting its clients in several areas of Law in matters involving Brazilian, International, European and French Law providing comprehensive legal support.

Throughout its history, the Firm has always been updated on the changes in the legal market, making important investments and increasing technology and diversity. The incorporation of new members and opening of a branch in Rio de Janeiro became strategic actions for its expansion.

2011

2014

**CHENUT OLIVEIRA SANTIAGO** continued its growth in 2014 by increasing its team considerably and incorporating a new office in Brasilia. This growth also allowed its insertion in new markets and economic sectors – once again expanding its area of operation.

In 2018 – **CHENUT OLIVEIRA SANTIAGO'**s tenth anniversary – a new office was opened in Lisbon/Portugal, another relevant step in the Firms's trajectory which consists of constant INNOVATION always maintaining its strong differentiators: high QUALITY of services provided and EXCELLENCE in customer service.
